

Australian  
**Protection** Symposium

# SAVE THE DATE

March 18 - 19, 2020

International Convention Centre  
Sydney, Australia

The twelfth Australian Protection Symposium will take place on 18<sup>th</sup> - 19<sup>th</sup> March, 2020 at the International Convention Centre Sydney (ICC Sydney), where first-hand experiences from Australia and around the globe will be shared through paper presentations, panel discussions and interactive Q&A sessions encouraging attendees to stay in tune with the latest solutions, innovations, successes and challenges in our industry.

The APS has been designed to provide an ideal forum for the exchange of ideas and experiences within the electrical protection industry and is dedicated to the presentation of new developments, practical application of methods and technologies in the field of protection, automation and control for modern electrical power generation, transmission and distribution systems.
